Dear Parents,

We are looking forward to having your child at our school. We hope this experience will be a happy, healthy beginning to his/her adventure.

Before school begins we would like to get to know your child. Please let us know what health services your child may need while at school or on the bus. We request that every child have a physical exam and a dental checkup. This will help to address any physical concerns your child may have that could possibly hinder academic achievement.

Unless exempted for medical or religious reasons, Indiana Code 20-34-4-2 mandates every child be properly immunized in order to attend school. Indiana law states, "Each school shall require the parent of a student who has enrolled in the school to furnish, not later than the first day of school, a written statement of the student's immunizations". The required vaccines for kindergarten students are as follows:

3 Hepatitis B  
5 DTaP

4 Polio  
2 MMR

2 Varicella  
2 Hepatitis A

You may see your child's own physician for immunizations or you may call one of the following for an appointment:

Sincerely,
