

Little Eagles Preschool accepts children who are 4 years old by August 1, 2024 and can provide a copy of a birth certificate, immunization record and a \$50 registration fee. We provide a fun, loving learning environment to help teach cognitive, social, emotional and language skills. We use a Ready to Learn curriculum to help with your child's academic development. Children are offered breakfast and lunch at an additional cost. They engage in Music, PE, Art and Library, rest time, snack time, recess and special programs the school may offer.

Little Eagles Preschool follows the Jac-Cen-Del school calendar. Class begins at 8:05 a.m. and ends at 2:30 p.m. Children may be dropped off at school beginning at 7:30 a.m. and must be picked up at 2:30 p.m. Latch key is offered after school until 6:00 p.m. for \$7.00 per day. There is bus transportation for children enrolled in Little Eagles Preschool who live in our school district.
