Our School Motto

Every morning we recite this motto to help us all make good choices and be the best we can be!

At Jac-Cen-Del Elementary

- We treat others right
- We make smart decisions
- And maximize our potential by working hard every day.

Welcome Back Students and Parents! What a great start we have had to the new year! I am Mrs. Budd. I am so honored and excited to be your child's principal. There are so many great things in store for our students this year! There are some familiar things and some new things. Please be sure to go over the Student/Parent Handbook with your child/children. This will help us all be on the same page. It's very important for the success of your child/children to establish and maintain a positive relationship between school and home. We will work hard to keep communication open and hope you will too! If you ever have questions, please don't hesitate to contact me!
