### ELEMENTARY SCHOOL PRINCIPAL REPORT: Mrs. Dee Budd

- Grandparents' night and the book fair are taking place on February 23 from 5 pm to 7 pm. We will have the opportunity for grandparents and their children to play a variety of games, get their pictures taken, and enjoy a light snack. Miss Tunny will have a table where parents can gather information on how to be aware of dangers their children could encounter on social media. Our title and media teams have put a lot of time and effort into making this night successful.
- Observations are currently underway for each classroom and it has been noticed that feedback from last observations are being utilized.
- There have been articles about our STEM lab on Facebook, 812, and in the newspaper. Mrs. Wessel was interviewed by 1st Makerspace and then they did an article in their blog. 1st Makerspace helps to plan and create innovative works spaces for STEM learning, as well as, provide engaging curriculum for teachers to use. We are very proud of this lab and the opportunities and experiences that Mrs. Wessel incorporates in her classroom as the STEM/computer science teacher.
- We have had window safety graphics installed in the new front entryway by Harcourt and they look amazing.
- The gym floor, bleachers, and scorers' bench are done and look great.
- Testing season will begin in March.

## INFORMATIONAL

- First reading of Neola Policy Volume 38 #1 Non-Discrimination, Equal Employment Opportunity, and Anti-Harassment Policy.
- First reading of Neola Policy Volume 38 #1 Bylaws and Policies.
- First reading of Neola Policy July 2025 Special Update.
- Erin Meyer resigned her position as high school teacher as of February 6, 2026.
- Deacon Hamilton resigned his position as high school instructional aide as of January 28, 2026.
- Thank you to Veterans Affairs for making a donation of \$500 to the music department.

## SUPERINTENDENT REPORT

- Finally, some nice weather has arrived and we are hoping it stays for the remainder of the winter. Mr. Melton thanked the staff, students, and parents for their hard work with all of the eLearning days. They are never easy but it does allow us to stay on schedule for the last student day to be on May 21st. Also, just a reminder, we do have one more make-up day to get in which is on Friday, March 20th. This leads up to spring break.
- The press box at the softball field is currently being removed for a larger, safer press box and storage area. This is much needed as the 2nd floor area was not very safe. Hopefully the weather holds out so this can get completed quickly - then the high school baseball press box and restroom construction will begin.
- We are also starting to plan for a new video for our website that will showcase the district. We are working with CIESC (Central Indiana Education Services) and this will be free to the district through a partnership established a few years ago.

## BOARD MEMBER COMMENTS

- The board thanked Mr. Melton, Mrs. Budd, and Dr. Maple for all their work over the past two years in keeping things moving in the right direction.
- A board member asked about indoor signage for buildings. Mr. Melton explained this is in the works.
- A board member thanked Lily Budd for her beautiful vocals and Mr. Blackwell for his instrumental accompaniment at the playing of the National Anthem during sectional games.

## NEXT MEETING

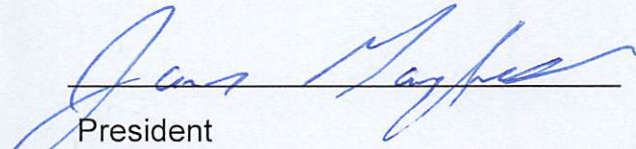

- The next regular meeting of the Jac-Cen-Del School Board of Trustees will be held on Monday, March 16, 2026 at 6:00 PM at the HS Eagle Room.
