Motion: Daniel Horn
Second: Debra Roberts
Vote: 5 for

HS Principal Report: Dr. Matt Maple

- Jac-Cen-Del's administration is requesting the school board to consider passing a Resolution in Support of Military Families to recognize and honor the service and sacrifices made by military members and their families. This resolution reflects the district's commitment to creating a supportive environment for students whose families serve in the military. It is also an important step as the district pursues designation as an Indiana Department of Education Purple Star School, which recognizes schools that demonstrate a strong commitment to supporting military-connected students
- Jac-Cen-Del's administration is requesting the school board to consider a Behavioral and Digital Threat Assessment process in accordance with Indiana Code 10-21-1-10, which requires schools to establish a multidisciplinary threat assessment team as part of their school safety plan. This process provides a structured way to identify, assess, and respond to concerning behaviors or digital threats that may indicate a risk to a student or the school community. Just as importantly, it reflects the corporation's commitment to supporting students through difficult circumstances by connecting them with appropriate resources, interventions, and guidance before situations escalate.

PATRONS COMMENTS

- A teacher expressed how she feels that JCD has some great teachers and Instructional Aids. She also commented that she was glad to hear about the Behavioral and Digital Threat Assessment process that is being implemented.

Superintendent
